

Summer Party With The CT Seaport Car Club

By Lissa Seeberger
Director, CT Seaport Car Club
georgelissa@optonline.net

The gathering of classic car friends at car shows and cruises is just not enough. The CT Seaport Car Club looks forward to our parties each year, where the focus is not on the cars, but rather on the wonderful people in this great hobby.

The Club had its annual Summer Party on September 13th, 2026 at Port 5 (the National Association of Naval Veterans), and about 65 members attended. This is an event to leave your classic car at home and come modern,

which was perfect because it was yet another rainy Sunday. However, our indoor party was not affected by the weather.

The Club members had a delicious buffet dinner wonderfully prepared by Chef Kevin and posed for this group photo on Long Island Sound after the rain subsided.

The CT Seaport Car Club has one more cruise before the end of the season. It's a lunchtime Octoberfest Cruise on Saturday, October 24th from 12:00-3:00pm at Port 5 (69 Brewster Street, Bridgeport, CT). Costumes and kids are encouraged at this Halloween themed Octoberfest Cruise. German food as well as the regular menu will be

available. Beer steins will be awarded as trophies.

All are welcome. Please join us.

Thank you for all your support
this 2026 season!
