

# Cruisin' With Bob Wojna

## In Memorial to Bob Rescsanski – Prominent and Charter Member of the Connecticut Seaport Car Club

As I mentioned in my previous column, I am a member of the Connecticut Seaport Car Club, and I will go into more detail about Bob Rescsanski in this column. He was a Veteran of the United States Navy (Radioman

Third Class). He had worked for United Technologies, the Ruger Corporation, and for the US Postal Service, for many years, until his retirement. Bob was also, a member of the Port 5 Navy Veterans, and the Southport Antique Car Club. Bob enjoyed hobby trains and antique automobiles. He drove his "Hot Rod" to many car shows and events. Bob was a licensed pilot who often flew his plane to Florida to visit his sister.

He liked motorcycles and for many years rode them. Bob enjoyed fishing, clamming, and cruising on Long Island Sound in his classic boat. You were a real enthusiast – RIP Bob.
