

# CT Seaport Car Club Announces NEW Location and NEW Date of Summer Car Show

By Lissa Seeberger

The CT Seaport Car Club is excited to announce our 8th Annual Antique and Classic Car Show will be on Sunday, June 9th at Fairfield Ludlowe High School's back parking lot (785 Unquowa Rd, Fairfield, CT) from 9:00am-3:00pm, which is a NEW LOCATION and NEW DATE for us. All show cars are welcome. No cut off year.

Our car show has typically been on a Saturday in Bridgeport in August, but we wanted to make a move this year to a larger location that was available on a Sunday, which is notoriously a better day for a car show. The greatest thing about Fairfield Ludlowe High School's back parking lot is not only does it offer almost 300 numbered spaces, with plenty of additional parking on the side of the building, but also the back parking lot has raised solar panels which will offer shade for more than half of the show cars that attend. Shade is a welcome commodity at a car show!

Additionally, the CT Seaport Car Club's June 9th car show will be an Official Connecticut Cruise News Ring Event again this year. Our Club is very pleased to be part of the upcoming 2nd year of this enviable competition created by Don Clady, Publisher of the newspaper, which boasts a 7-foot trophy, a large championship ring, and a WWE style championship belt for the first person who wins 10 Rings with the same show car at participating Ring Events.

Bob Sabre was the first to become the 2023 Grand Champion by winning 10 Rings with his green full custom 1946 Ford "Voodoo Idol."

For more information about the CT Seaport Car Club's upcoming June 9th

car show, go to [www.ctseaportcarclub.com](http://www.ctseaportcarclub.com) over the coming months for more details. Vendors should contact Lissa Seeberger at 203-247-2014 to reserve a spot and complete the Vendor Form under the "Upcoming Area Car Shows and Events" section of our website by May 9th, 2024.
