

A Year in Review for the CT Seaport Car Club – 2023

By Lissa Seeberger

It's been another great year for the CT Seaport Car Club, which had 25 new members join this year alone, and now has more members than ever before. This Club is active! We've got 12 meetings per year, 11 cruises between May and October, 2 parties, at least 1 tour of a car facility in the winter and 1 LARGE car show! Check us out at www.ctseaportcarclub.com.

Thank you to the members of the CT Seaport Car Club and all the other car enthusiasts who helped out or attended one of our many events this year! You make this Club great!

P.S. The CT Seaport Car Club's 2024 car show has a NEW LOCATION and NEW DATE: Sunday, June 9th, 2024 at Fairfield Ludlowe High School's back parking lot. Read the article about it in this issue.
